Regional Points Values

The following charts show regional point values for weeks Resorts. These are the regions Smugglers' Notch Vacation Owners have visited most frequently. The points listed are the number of points required to visit a weeks resort in these regions. By varying the season, home size, and/or quality ranking, you can increase or decrease the points required for the exchange you need. You can acquire more points by borrowing from future allotments, "renting" more points from RCI or Smugglers' Notch, or by saving left-over points from previous years. Take advantage of Instant Exchange at weeks resorts for only 9000 points!
