BE A SMUGGLER THIS SUMMER!

Smugglers' Not
DREAMS

joyfull

JOY FILLS THE BEST FAMILY TIME.

Joy is a feeling — a feeling of simple and straightforward happiness.

Joy delivers some pretty awesome extras ...
hugs
laughter
memories you would never ever trade

At Smugglers', you may find your joy during a high bounce challenge with your family on the Aqua Jump. Or a rousing match of lifesize foosball. Or a gentle twirl with your toddler at the karaoke family dance party.

Your joy may sparkle like 4th of July fireworks. Or wrap around you as slowly and deliciously as the scent of ice cream cones baking in our Ben & Jerry's Scoop Shop.

For decades we've welcomed families to our mountain playground with a commitment that sets us apart from any resort in America — **guaranteed family fun**. It's a pledge that's simple and straightforward, just like joy.

This Summer, fill your family's vacation with joy and plenty more — at Smugglers' Notch, Vermont.

“

There are not many things you can count on being just as good as you remembered ... Smugglers' Notch is one of them because it is even better. It truly lives up to what you want in your vacation — equal parts relaxation, excitement, mellow, and pulse-racing. The views are as delicious as the food. And the way each member of the staff greets you makes you feel just as warm as the sun rising over those green mountains.

— Brett from Mays Landing, NJ

LLAMA TREKKING

Get ready to fall in "Ilove" with a llama! Families love our llama treks, an opportunity for all ages to hike and picnic with these gentle creatures in the woods and trails around the Resort. Llamas were bred as pack animals for use in the mountains of South America thousands of years ago. On your trek they will tote your delicious picnic of fresh fruit, baked goods, Ben & Jerry's ice cream and beverages.

DISC GOLF

Disc golf provides fun, easy recreation and competition for anyone who loves the outdoors! The sport shares nearly all the rules and structure of traditional golf. Families enjoy the convenient location and ease of play of the 9-hole Village 9 course. The 18-hole Brewster Ridge course is spread over 40 acres of woods and meadows, highlighting some of Smugglers' most beautiful natural features. Both courses support all levels of play and have received acclaim from players from novice to pro level. Learn to play or hone your skills in a clinic or family session with our disc golf coaches!

SEARCHING FOR A UNIQUE VACATION EXPERIENCE FOR YOUR CHILD? LOOK NO FURTHER.

In our award-winning Summer Fun University programs for ages 3-17, your kids will explore a playground encompassing 3000 acres of mountains, forests, fields and streams, not to mention our Resort Village! It's the perfect setting for a camp day brimming with the thrill of adventure and the fun of discovery, delivering an experience both full of wonder and wonderful.

WE KNOW YOUR CHILD WILL LOVE SUMMER FUN UNIVERSITY ... AND HERE ARE 5 REASONS WHY.

ADVENTURES. In our programs, kids can explore what interests them. Younger kids enjoy a mix of crafts, active play, and pool time, all emphasizing a connection to nature and community. Older kids might choose performance in Sound & Stage, or outdoor adventures in Survival or High Adventure Specialty Camps. Our comfortable environment, focused on challenge by choice, supports trying something new or sticking with what's familiar — it's all good.

NEW FRIENDS. Nothing brings kids together more quickly than shared experiences, and our counselors are trained to get everyone settled and happy with ice breakers and team building games. The camp day is all about having fun and building memories. Be prepared to meet your child's new best friend at the end of the day!

COOL COUNSELORS. They tie it all together. Our creative counselors set a schedule for the day but leave room for unexpected delight and discovery. Maybe Creature Feature prompts a visit to the nature center. Maybe a game of disc golf turns into identifying old apple trees on the course. Our counselors rock at guiding kids in projects and exploration. What's not to like about someone whose skill set includes everything from insect ID to kayaking to tie dye?

WATER PLAY, EVERY DAY! All of our camp groups enjoy water play as part of their day —with five water recreation areas, there's a destination ideal for each age group. Our youngest campers float through Little Smugglers' Lagoon in tubes, or ride down the Turtle Slide sized just for them. Older kids hike to Bootleggers' Basin for swimming, zooming down the Zoom Flume Slide and sports. Often, a child's camp experience at our pools or reservoir leads a family to discover a new favorite water playground! Pool and waterslide fun in our camps is matched to each child's swimming ability and carefully supervised by counselors and lifeguards — peace of mind for moms and dads.

FREEDOM. No school. An entire resort as their playground. A whole day in front of them. 'Nuff said.

Summer Fun University programs support children's developmental stages with separate programs for 3 & 4 year olds, 5 & 6 year olds, 7 to 10 year olds, 11 to 15 year olds and 16 & 17 year olds.

“ We had a great time! There were enough activities to keep our kids occupied while my husband and I explored the area and did some great hikes. Our kids attended the Survival Camp and the High Adventure Camp and loved them both. — Michelle from Yardley, PA ”

“

Amazing vacation, very impressed with the layout of the resort and all the activities available. Great mountain view. Shuttle bus was a great service allowing you to travel through the different spots of the resort without having to drive yourself. The employees at the front desk, shuttle drivers and some housekeeping staff were very kind and helpful with any questions we had about the resort and its services.
