# RESORT POLICIES & EMERGENCIES

## Activity Refund Policy

Cancellations must be made by 5:00 pm the day prior to the program/activity start date to receive a full refund. Cancellations made after 5:00 pm are not eligible for a refund.

## Smoke Detectors

If your smoke detector goes off due to cooking, steamy showers or burned toast, etc., please DO NOT TAMPER WITH THE DETECTOR. Call Maintenance at extension 1158 and a technician will be dispatched immediately to repair your detector. These detectors are wired directly into the Fire Department and tampering with them causes a safety problem for the guests in the rest of your building.

## In Case of Fire

Most buildings are equipped with interior fire alarm pull stations. When pulled, they will automatically notify the Fire Department. Also, each home is equipped with local smoke detectors for your added protection. Should the fire alarm in your building go off, please evacuate at once and remain outside until the alarm has been silenced. Please do not tamper with the fire alarms or extinguishers.

## Medical Emergencies

In the event of a medical emergency, pick up a condominium or "house" phone and DIAL 911. Relay all available information including location and patient's current condition. ## Handicap Accessibility

The mountain environment we are located within can create challenges to accessing some of our facilities. Here at Smugglers', we are working on improving accessibility for our guests and employees. If you or someone you know requires assistance, or to find out more information regarding accessibility at Smugglers', please contact the Guest Service Desk so that we can best fulfill your needs.

## Child Protection Plan

Child abuse and neglect occur at all socio-economic levels. Children in need can be helped. The sooner they are identified and approached, the better. Vermont State Law mandates that all children's program staff and administrators report any incidents of suspected child abuse and/or neglect, whether such incidents may be occurring within or outside the boundaries of Smugglers' Notch Resort.

## Drug and Alcohol Policy

Smugglers' Notch is committed to providing a safe and nurturing environment for our guests. Therefore, it is the policy of Smugglers' Notch to comply with and support all state and federal laws related to the use and possession of all regulated drugs, as well as the use and possession of alcohol and tobacco products.

## Severe Weather Policy

Summer weather can be unpredictable in the mountains. We strive to keep our guests safe at all times. When we receive notice of inclement weather such as lightning we sound our severe weather siren and clear all outdoor public areas including waterparks, tents, ball courts, and green spaces for 30 minutes after the last observed thunder or lightning. For the safety of you and your family, please be respectful if a Smugglers' employee asks you to vacate an outdoor space during these times.

## Non-Smoking Policy

Guests staying in a home designated as non-smoking must refrain from smoking in and around the home, including the decks. A \$250 fee will be assessed to eliminate any smoke damage.

## Pet Policy

Smugglers' Notch Resort welcomes ADA service animals, as such a service animal may have been in the home prior to your arrival. ## Racial Equity Statement

Smugglers' Notch Resort stands with all Black and Indigenous People of Color on the issue of racial equity and civil rights. Smugglers' has formed an internal racial equity support team with the following goals:

- Identify and eliminate all racial inequities or instances of white privilege in Smugglers' practices and policies.
- Identify and engage outside resources to help guide change at Smugglers' as needed.
- Develop and implement a Smugglers' training program to assist employees in understanding racial equity issues and modify behaviors as appropriate.
- Find a path to impacting Smugglers' outside community understanding and follow-up action on the same issues.
