Welcome to Smugglers’ Notch Resort!

Dear Friends,

Our Smugglers’ Notch Family wishes to thank you for choosing Smugglers’ for your vacation. We recognize that you work hard to get away and enjoy a family vacation and that you are here to relax and have a great time. To us that means doing everything we can to keep the stress out of your vacation experience and “keep you on vacation.” We believe that our “We Want You Back” spirit will make this one of your best vacations and that you will want to return to Smugglers’ again and again.

Don’t be reluctant to let us know when something goes wrong. As hard as we try, we don’t always meet our own standards of excellence. Our quality goal is to continually improve everything we do in an effort to exceed your expectations in your vacation experience.

We encourage you to let us know of anything, large or small, that we can do to make your vacation more enjoyable. We promise that no matter what your needs might be, we will listen and then do everything in our power to satisfy you. Please contact Guest Services at extension 1293 if you need assistance.

In addition, your comfort and security is of utmost importance to us. We rely on you to advise us if you see behavior or hear something that makes you uncomfortable. Please report any concerns to us immediately.

We would appreciate your feedback. For your convenience, our “How Do You Like Us” questionnaire is available on our website www.smuggs.com/comments. User name: guest Password: comments. Just fill out the questionnaire and return it to us so that you can be in our drawing to win a Smugglers’ Notch vacation for a family of four.

Thank You!

Bill Stritzler
Managing Director Ext. 1234

Our Environmental Charter
Smugglers’ Notch Resort Management and Employees are committed to being responsible stewards of Vermont’s natural resources. Vermont’s intrinsic beauty and healthfulness are integral to our business. We live here, and working to maintain it comes naturally.

Smugglers’ policy of environmental stewardship pervades all of our activities. We seek to raise the environmental awareness of guests and employees, and to broaden their knowledge and appreciation through educational programs along with our active and passive use of the land for year-round recreation.

Our development and maintenance programs are guided by principles of land and energy conservation, by forest and wildlife habitat preservation, and by maintaining Vermont’s water quality and aesthetic beauty.

We are committed to reusing, recycling, and treating waste through innovative techniques in a concerted effort to minimize impact on the environment.
Please remember your Notch Card!

Smugglers’ uses hands-free RFID technology at all of our mountain lifts, Courtside Pool, and the Ozone in the FunZone 2.0 facility. The Notch Card is an all-season reusable card that can be reloaded with a Lift Ticket, SmuggsPass, Daycation Ticket, Ozone Ticket, Season Pass, Bash Badge, or Courtside Pool access pass. Some vacation packages include access, others can purchase access for a fee. The SmuggsPass or Daycation Ticket loaded on your Notch Card is required at non-fee Smugglers’ Notch events, facilities, and activities. Don’t have a SmuggsPass or Daycation ticket? Stop by Guest Services or the Ski & Ride Desk for purchase options. The Notch Card is non-transferable and non-refundable. A $5 plus tax replacement fee will be required for any damaged, lost or stolen cards. For more information about the Notch Card and RFID go to smuggs.com/notchcard

Note: Fee based activities and facilities such as massage and Artists in the Mountains are additional and are not covered by the SmuggsPass. SmuggsPass fees are subject to change until purchased.

Smoke Detectors
If your smoke detector goes off due to cooking, steamy showers or burned toast, etc., please DO NOT TAMPER WITH THE DETECTOR. Call Maintenance at extension 1158 and a technician will be dispatched immediately to repair your detector. These detectors are wired directly into the Fire Department and tampering with them causes a safety problem for the guests in the rest of your building.

In Case of Fire
Most buildings are equipped with interior fire alarm pull stations. When pulled, they will automatically notify the Fire Department. Also, each home is equipped with local smoke detectors for your added protection. Should the fire alarm in your building go off, please evacuate at once and remain outside until the alarm has been silenced. Please do not tamper with the fire alarms or extinguishers.

Medical Emergencies
In the event of a medical emergency, pick up a condominium or “house” phone and DIAL 911. Relay all available information including location and patient’s current condition. The following phone numbers assume you are calling from a condominium or “house” phone. If you are dialing from a mobile phone, there is no need to dial 9 before the numbers listed below. All 911 calls can be dialed directly from any phone.
