

MARK ARCHAMBAULT MEMORIAL SCHOLARSHIP FUND

Established in honor and appreciation of the contributions that Mark “Arch” Archambault made to the skiing community during his 40-year career with the Smugglers’ Notch Ski Patrol.

Arch was well-respected for his dedication and commitment to continuously helping the paid and volunteer patrol staff learn and grow into knowledgeable Outdoor Emergency Care (OEC) Technicians.

In appreciation of his efforts, it is our goal that Arch’s passion to recruit, educate, and develop the next generation of patrol continues to live on as a part of his legacy at Smuggs.

This scholarship will be awarded to patrollers who have demonstrated a superior level of achievement in their OEC and ski/toboggan pursuits, as well as service to the Smuggs community and demonstrate a strong desire to achieve excellence in patrolling skills. Additional consideration will be granted for those who display the playful spirit Arch embodied, so that it too may continue!

“Nothing is as satisfying as watching and helping folks further their patrolling careers and enhance their skills.”

— Mark “Arch” Archambault, June 26, 2021
