

Participating in snow sports carries inherent risks. Please be aware of changing trail conditions caused by weather, skier and snowboarder use, snowmaking, grooming, and other activities. Mountain Operations are active 24 hours a day, so you may encounter grooming equipment or utility vehicles on the trails at any time.

All terrain at Smuggler's contains both man-made and natural obstacles/ hazards. While we use various marking devices to indicate potential risks, not all will be marked. It is your responsibility to avoid both marked and unmarked obstacles and hazards.

Exercise common sense, show courtesy to others, and be prepared for hazardous situations. The National Ski Area Association's Responsibility Code outlines ten key points for snow sport safety.

YOUR RESPONSIBILITY CODE

- 1** Always stay in control. You must be able to stop or avoid people or objects.
- 2** People ahead or downhill of you have the right-of-way. You must avoid them.
- 3** Stop only where you are visible from above and do not restrict traffic.
- 4** Look uphill and avoid others before starting downhill or entering a trail.
- 5** You must prevent runaway equipment.
- 6** Read and obey all signs, warnings and hazard markings.
- 7** Keep off closed trails and out of closed areas.
- 8** You must know how and be able to load, ride and unload lifts safely. If you need assistance, ask the lift attendant.
- 9** Do not use lifts or terrain when impaired by alcohol or drugs.
